Application Questions

For those pursuing the CPA, it is an educational requirement to have 150 credits. This question is to determine if you will meet the 150 credit requirement. Not all of our positions require CPA eligibility. Please select the prompt that best applies. *

I do not plan on pursuing the CPA.

Have you completed all the educational requirements listed in the job description to which you are applying? Note: Educational requirements include degree and, if stated in the job description, the completion of 150 credits for CPA eligibility.

- **I am currently pursuing the educational requirements.** If selected, a follow up question will ask you to provide the date you expect to complete all educational requirements.
- **I have completed the educational requirements.**
- **I do not plan to pursue the educational requirements.** *

I am currently pursuing the educational requirements.

3.3

Minor(s)

Only include your minor, as an example "Computer Science." Do not include additional context.
